[CSE Direct] Application Deadline

SI Courses held in June	April 11
SI Courses held in July	May 9
SI Courses held in August	June 6

No.	Course Title	Syllabus URL	Term (Tentative)
1	Cell Signaling Networks	https://goo.gl/5nSnIH	July 25 - 28
2	Hydrogen Bond-rich Dendrons and Dendritic Polymers	https://goo.gl/ZF6rm3	July 31 – August 4
3	Frontier of Chemical Science	https://goo.gl/S2Ltes	July 18 - 21
4	supramolecule chemistry and application to catalysis	https://goo.gl/FZUig2	July 10 - 14
5	Frontier of Bio-Electrochemistry	https://goo.gl/pvzhDO	July 25 – 27
6	Solid State and Surface/Interface Nano Chemistry	https://goo.gl/hxYllc	August 23 - 25
7	Advanced Studies on Organic Reactions with Organometallic Complexes	https://goo.gl/88LvSw	July 3 - 7
8	Small Molecule Activation and Green Catalysts	https://goo.gl/eA5ODx	June 27 - 30
9	Engineering directed production of useful chemicals	https://goo.gl/NAvpBF	June 13 - 16
